

Project Overview

# Connections for Young Women

Are you an autistic woman aged 15–24 in Jimboomba, Beaudesert, or Flagstone? **We want to hear from you!**

**Small & comfortable sessions** (just 8 people) to share and feel heard.

**Facilitated by autistic women:** creating a safe, supportive space.

**Your time is valued:** session participants will **receive \$50.**

We're looking to learn from your **real experiences** and **honest perspectives** on friendships, social connection, and community—what works, what doesn't, and what truly matters to you!

Groups run for **up to two hours**.

Choose a session that works best for you! Come along to share your thoughts, ideas, and experiences. Light refreshments will be provided at face-to-face sessions.

An **online group** will also be held, subject to demand.

**Sessions being held late September** (venues to be advised after eligible registration):

**Jimboomba**

**Beaudesert**

**Flagstone**

Autism Queensland is here to help—get in touch to learn more:
