

Service Overview

# Designing for Inclusion

## Creating spaces where everyone belongs

Autism Queensland specialise in creating spaces, services, and solutions that work for everyone. We deliver bespoke design solutions and project coordination with a strong focus on inclusion and co-design, backed by practical skills, expert knowledge, and guidance to Australian Standards.

With access to specialist consultants, we go beyond compliance and bring extensive experience across diverse sectors and environments. Our inclusive design solutions are grounded in:

- **Co-design:** Lived experience at the heart of every project.
- **Inclusive Spaces:** Welcoming, accessible, functional for all.
- **Expert Insight:** Thoughtful design for diverse needs.
- **Beyond Compliance:** Creating true inclusion and belonging.

**Every project is shaped by lived experience to create meaningful and functional spaces.**

Education facilities

Playgrounds & parks

Infrastructure & transport networks

Health services

Public spaces

Retail & commercial environments.

We are here to help—get in touch to learn more!

**Let's design together to create spaces that empower people and create genuine belonging.**
