

Project Overview

# What works at work? Tell us!

**Autistic Queenslanders (18+), have your say on employment and help shape the National Autism Strategy!**

**Autism Queensland (AQ) is inviting autistic adults and their parents/carers to share their experiences finding, securing, and maintaining a job. We would like to hear what helped, what got in the way, and what needs to change.**

Your lived experience will help to inform employment actions in the National Autism Strategy. Your voice can make a real impact to inclusive workplaces for autistic people.

## What's involved?

1:1 or small group (3-4 people) conversations of 60-90 minutes.

Sessions available in person or online (your choice).

Alternative communication methods and other adjustments are available upon request.

## Who can participate?

Queensland **autistic adults** (18+) and/or their **parents/carers** (together or separate). You do not need to be employed to participate. Support people welcomed.

**Scan QR code to register your interest. We will contact you.**

Face-to-face sessions will be held in September/October 2025 across various locations including: Brisbane, Cairns, Gladstone, Gold Coast, Ipswich, Rockhampton, and Toowoomba (venues and dates/times to be confirmed upon application).
